

Dear Green Country Area Grower / Producer,

Thank you for choosing to be listed in the 2008 Local Food Guide. *Buy Fresh Buy Local - Green Country* will be printing a 2010 version, and you are invited to be listed again **free of charge** in the 2010 Local Food Guide. An electronic copy of the 2008 Food Guide can be viewed at [www.kerrcenter.com/pdf/2008-Local\\_Food\\_Guide-GC.pdf](http://www.kerrcenter.com/pdf/2008-Local_Food_Guide-GC.pdf). Farmers' market managers may have a hard copy, or you can request one by contacting Rita Scott (see below).

The purpose of the Food Guide is to help facilitate direct-purchase sales between producers and individual or commercial customers. Only growers/producers who wish to make direct sales such as this should request a listing.

Eligible for listing are Oklahoma farmers/growers/producers who grow or raise these food, agricultural and horticultural products for which the primary market is within Oklahoma and that are available for purchase in Green Country:

- whole produce
- nuts
- grains & milled grains (flour)
- meats
- farm-direct edible livestock
- eggs
- honey
- dairy foods
- wine
- herbs & live plants
- cut flowers
- Christmas trees
- soil conditioners such as manure, compost, worm castings & mulch
- eligible processed foods \*

\* Eligible processed food for 2010 is limited to value-added products made from a reasonable percentage of ingredients grown by the listed producer, and processed by them or their co-packer.

To be listed in the 2010 Food Guide, please fill out the following section completely. Please enter your Name and Farm Name, even if there are no changes to the information listed in the previous Food Guide – just enter “same” if there are no changes to the other information. If there is data you do NOT want printed, please indicate those with a check mark in the shaded area next to that item. This information will determine your listing in the update. **Please PRINT CLEARLY.**
